

## APPLICATION PROCESS OVERVIEW

Dear Student,

Welcome! We see that you are interested in applying for the Wipro Climate Challenge! Here is a step-by-step guide to help you through the application process of the Wipro Climate Challenge.

**Step 1:** Click on the [following link](#) and you will be re-directed to the application portal.

You can also click on any of the "APPLY NOW" buttons on the Wipro Climate Challenge website and you'll be redirected to the same page.

**Step 2:** Create an account by filling in your credentials

**Step 3:** Once you create an account, you must validate the account. After doing that, you will gain access to the main application form for the Wipro Climate Challenge. Once you fill in the first two questions, additional questions will appear.

- Which track do you wish to apply for?** (Required)
- Track 1 - Under-Graduate/Post-Graduate students
  - Track 2 - PhD/MBA candidates
- Are you applying as a team?** ⓘ (Required)
- Yes, I'm applying as a team
  - No, I'm applying as an individual

You can check out the application questionnaire [here](#).

**Step 4:** Answer the rest of the application questions. It should take you around 15-30 mins to fill in the whole form. You also have the option to save your work, revisit it and make changes as needed before submitting. You can access your saved form under the “Applications” section in the main menu.

Please note, your application will not be considered unless you submit it. Once submitted, you will not be able to make any changes to your application.

**Step 5:** Once you submit your application, you will receive an acknowledgement e-mail on your registered e-mail (the one that you gave while creating the login ID and password on the portal).

**Step 6:** We will notify the shortlisted candidates through an e-mail shortly after the application deadline (i.e. post 12 September 2022). The next steps for the Challenge will be communicated to you via mail.

Hope this document helps you with your application! If you still have any doubts, feel free to write to us at [shimoli@climatecollective.net](mailto:shimoli@climatecollective.net)
